Sonja,

At least at this point, it looks like this [REDACTED] case is going to go, so we'll start with a short motion to suppress tomorrow and then empanel. I don't know exactly what the timetable will be – especially with Judge Page – but I think the likelihood is that I'll need you either Friday or Monday. I'll do my best to keep you informed. Thanks,

Tony

Sonja,

Just checking in because I'm in Judge Page's session with the case against [REDACTED] (cert # [REDACTED]). Plea discussions aren't going well so there's a possibility we could start sometime this week (as early as tomorrow or Wednesday). Please let me know where this week finds you and which days you'd be available to come to Hampden Superior. Thanks,

Anthony D. Gulluni
